

Tell the Board of Trustees:

CUNY Needs A Raise!

Monday, April 28, 4pm

Meet outside the Baruch Vertical Campus
NE corner 24th St. & Lexington Ave.

We've been negotiating with CUNY management for over a year, and CUNY has yet to make a financial offer. Meanwhile, our salaries are now 20% below salaries at comparable public universities, like Rutgers and the University of Connecticut. We need to make sure that the CUNY Board of Trustees understands the urgency of our situation and moves quickly towards a fair resolution of our contract. Please join a delegation of PSC activists to carry our message into the Board meeting. We need them to hear, loud and clear, *CUNY needs a raise!*
